

Town of Fairhaven Bell Committee of Fairhaven Meeting Minutes

Meeting date: September 06, 2018

Present: Jackie Kenworthy, Lee Baumgartner, Doug Brady, Helene Oliveira, Nils Isaksen

Meeting called to order at 6:30 PM

Discussions:

- Chase Crowley from Fairhaven High School presented his Revere Bell Housing Design which consisted of three different roof versions, Steeple design, Flat single point design, traditional square roof two sided design, depending on which one the committee liked. The committee voted to accept the base with the main flat single point design and will present to select board and historical commission for review as well. Motion by Lee, second by Helene, all in favor.
- Daedalus representative was unable to make the meeting due to scheduling conflict. Committee reviewed the proposals and the cleaning aspects; Main concern expressed by members was to keep the bell in the current patinated look and not to refinish it to the original bronze look. All agreed and motioned to authorize the chair to continue the process of the cleaning and updating the Selectman and Historical Commission for any changes or ideas. Motioned by Nils, second by Helene all in favor.
- Next meeting date was not set and will be set when needed.

Meeting adjourned 7:27 PM
