

Fairhaven / New Bedford Bridge Replacement of the US Route 6 over the Acushnet River Bridge

In-Person Public Information Meeting

What is happening?

The Massachusetts Department of Transportation (MassDOT) is pleased to provide an update on the Fairhaven and New Bedford Swing Bridge replacement project. The in-person event will allow attendees to learn and ask questions about the recommended bridge replacement alternative. The meeting will consist of a formal presentation as well as a question-and-answer period. All views and comments will be reviewed and considered to the maximum extent possible.

How will this affect you?

The Swing Bridge is a critical transportation link over the Acushnet River between Fairhaven and New Bedford. The proposed project includes the replacement of US Route 6 over the Acushnet River movable span bridge. This is an early opportunity in the design process for the public to learn about and comment on the recommended bridge replacement alternative and its impacts. For those unable to attend in-person, the public information meeting will be recorded. The video will be posted to the study website at www.mass.gov/orgs/highway-division/events after the event.

When

TUESDAY, JANUARY 9, 2024
6:00 – 7:30 PM

Where

HAYDEN-MCFADDEN ELEMENTARY SCHOOL,
AUDITORIUM
361 CEDAR GROVE STREET
NEW BEDFORD, MA 02746
