CHECKLIST FOR RUNNING FOR OFFICE IN FAIRHAVEN

"A Candidate's Guide to running for Town Election"

- Review List of **Terms Due to Expire** for listing of positions available on this year's ballot.
- Review **Annual Town Election Calendar**. Note the last day to obtain and return nomination papers.
- Obtain **Nomination Papers**. Circulate for signatures. Be sure to submit more than the required number (50) for certification so you do not fall short in the event of signatures not certified.

All signatures must be legible and written substantially as registered. The law allows a voter to insert or omit a middle name or initial and still have the signature deemed valid. Do not use nicknames or initials in place of full names. Married women should sign "Helen Smith" not "Mrs. John Smith."

It is wise to have a street listing with you to verify the exact form of registration. As a candidate, you are entitled to one free copy of a list of registered voters (this is NOT the street list book).

- Campaign Finance Activity** - State law requires an accounting of all money received or spent in the course of a political campaign. Candidates are required to submit regular campaign finance reports and to comply with the campaign finance laws and procedures. It is the responsibility of all those participating in political campaign financing in Massachusetts to become knowledgeable with the provisions of the campaign finance law and its regulations. Violations of the law carry serious penalties of fines, imprisonment or both.

MGL Chapter 266, Section 126 allows for a fine of not less than ten nor more than one hundred dollars, plus the cost of removing such defacement for posting banners, announcements, notices or signs on utility poles. These items can be safety hazards to vehicles and pedestrians as well as
