## **Electric Supply Product Summary: Local Green 10%** *From Fairhaven Community Electricity Aggregation*

You will receive an electric supply product from Fairhaven Community Electricity Aggregation. Your electric utility will continue to deliver the electricity you use to your home.

Price	10.793 cents per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.
Term	The above price will remain constant from enrollment to December 2023.
Early Cancellation Fee	There is no cancellation fee. You may leave this product at any time, without fee or penalty, after you have enrolled.
Automatic Renewal	You will be automatically enrolled at a new price at the end of the contract term unless you inform the Town otherwise. The new price may be higher or lower than the existing price and the voluntary renewable energy content may change. The Town will contact you no later than 30 days before each automatic renewal to notify you of your supply options.
Renewable Energy Content	The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 49% renewable energy resources in 2021, 51% in 2022, and 59% in 2023. This product includes 61% renewable energy resources in 2022, 69% in 2023, and 72% in 2024.
Rescission Period	If you received this form as part of an automatic enrollment notice, you have until the deadline indicated on the notice to opt out and not be enrolled. You may leave this product at any time without fee or penalty after you have enrolled.
