Town Committee or sponsoring organization (if applicable):

Project Name: Livesey Park Tennis / Basketball Courts / Hockey Rink Repair & Resurface

Project Location/Address: Glenhaven Avenue, Fairhaven, MA

Amount Requested: \$ 97,000

Project Summary: In the space below, or attached sheets if necessary, provide a detailed summary of the project citing the elements of the Review and Recommendation Criteria found in the Application Guidelines and checklists below (p. 4-8)

Livesey Park has two tennis courts, two basketball courts and a street hockey rink that are used daily during three seasons of the year. The Fairhaven Tennis Association spearheaded the project in 2017 to repair and resurface all three of these facilities and they held up well until the winter of 2022-23 when a number of wide cracks appeared. (See attached photos.) By the summer of 2024 it will have been seven years since they were last done. Delaying this project will only cause these well used facilities to get much worse and approach being unplayable. The cost to replace such facilities is about five times the cost of this requested repair and resurface project. The Fairhaven Tennis Association will pledge \$5,000 towards this project.

A qualified contractor will clean all of the asphalt areas of the basketball and tennis courts, as well as the street hockey rink. All surfaces will then be power washed. Approximately 150 feet of previously repaired cracks will be removed and replaced with appropriate materials to strengthen those areas. New cracks will be repaired using the Riteway Crack Repair system that includes a fiber glass mesh over all of the repaired cracks. Then one coat of resurfacer will be applied to all of the surfaces at the tennis and basketball courts, as well as the street hockey rink. Next, two coats of Nova combination paint (blue and green) will be applied to all surfaces. Lastly, the appropriately white lines will be painted on each of the tennis and basketball courts as well as the street hockey rink.

The Fairhaven Tennis Association will pledge \$5,000 towards this project. Please see the attached proposals from East Coast Sealcoat Abington, MA.

Estimated Date for Commencement of Project: July 2024

Estimated Date for Completion of Project: July 2024

General Criteria for All Projects – Check off and address each criterion as it applies:

- Is the project consistent with the goals of the Town of Fairhaven *Community Preservation Plan*?
YES
- Does the project have other sources of funding? If so, indicate percentage.
NO
- Does the project leverage additional or multiple sources of public and/or private funding?
The Fairhaven Tennis Association will contribute \$5,000 to the project.
- Does the project preserve a threatened resource?
NO
- Is the project consistent with existing Planning Documents such as the Master Plan and Open Space Plan?
YES
- Does the project comply with the zoning regulations?
YES
- Does the project have a means of support for maintenance and upkeep?
Livesey Park and its facilities are maintained by the BPW within their budget.
- Does the project involve currently owned municipal assets?
YES
- Does the project serve underserved populations or address more than one focus area of the CPA?
NO
- Does the project reclaim abandoned or previously developed lands?
NO
- Does the project require a Special Permit, NOI, Building Permit or other permitting? Please list all local and State permits you are aware of that the project will need.
NO
- Does the project have community support? Does the project provide a positive impact to the community?
Most definitely, because the three different facilities, tennis and basketball courts, as well as the Street Hockey Rink are used by a large number of people of all ages. +
- Does the project have sufficient supporting documentation?
YES
- Has the applicant/ team demonstrated the ability and competency to implement the project as proposed?
YES, the Fairhaven Tennis Association has received and implemented previous CPC Grants at Cushman Park and Livesey Park. +
- Does the applicant have site control, or the written consent by the property owner to submit an application?
YES, the Board of Public Works have given us authorization.

Recreation Criteria - Check off and address each criterion as it applies:

- Will more than one age group use the project?
Yes, the tennis courts are used by males and females from 6-80 years old, while the basketball courts are used by boys and girls 6-40. Hockey Rink is a little more limited.
- Can the project be used by more than one activity (multi-use)?
YES
- How many participants will normally use the project at once?
40-50
- Is this project the first of its kind in the Town or County?
NO
- Are grants available to help pay for construction? If so, have applications been made for the grants?
N/A
- Does the project include considerations for additional parking?
N/A
- Can the project be used during more than 1 of the 4 seasons per year?
YES
- Does the project match the character of the surrounding area?
YES
- Does the project include all normal safety considerations?
YES
- Does the project meet all building and safety codes?
YES
- Is the project accessible by pedestrians, bicycles, transit?
YES

Chairman
Fairhaven Community Preservation Committee
40 Center St
Fairhaven, MA 02719

Re: Livesey Park Tennis & Basketball Courts & Street Hockey Rink

Dear Mr. Lucas:

By means of this correspondence, please be advised that at their meeting of September 11, 2023, the elected Board of Public Works, in their statutory role as Park Commissioners, unanimously voted to support the Fairhaven Tennis Association's 2024 (FY 25) CPC Application to repair the tennis courts, basketball courts and street hockey rink at Livesey Park.

Per Massachusetts General Law, Park Commissioners, in brief, have the authority to lay out and improve public parks, make rules for their use and have the power to conduct park programs and recreation activities.

As part of this referenced support, should the above project be approved by your Committee, the Board of Public Works will assist the applicant, where possible, to minimize costs and logistics.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Vincent D. Furtado".

Vincent D. Furtado
Public Works Superintendent
