

Fairhaven Community Preservation Committee FY23

LETTER OF INTEREST - *Optional*

The CPC will be accepting **Letters of Interest** from parties who want feedback before submitting a final application. A Letter of Interest should include enough information to introduce your proposal to the Committee so that it can determine the project's eligibility and offer guidance on what the CPC will be looking for and requiring in a final application and whether a professional consultant would be helpful. A Letter of Interest can help applicants avoid spending a lot of money on projects that cannot be funded or need much more detail. Please consult Chapter 6 of the Fairhaven Code or MGL Chapter 44B for the rules and regulations of the Community Preservation Act. You should also consult the webpage of the Community Preservation Coalition.
