Kelly, I can provide these services for a fee of \$5000. If that works for you, please advise and I write up formal contract. Fee includes:

1. Delineation of all resource areas present on the property
2. Review of the Notice of Intent for completeness and adequacy.
3. Provide a report that includes all findings, relevant performance standards, photographs
4. Evaluation of the current state of the property compared to the previous Amended Order of Conditions.
5. Attendance at one Conservation Commission hearing
